45031

Microlite

The Microlite allows unique roof access making it the ultimate Class 1 industrial stand off. Quick to fit to aluminium, fibreglass and timber ladders.

45032

Safety Base

The Safety Base makes an instant, level, anti-slip footing on uneven, sloping or flat ground without the safety trade off of back leg attachments.

45033

Extra

The Extra instantly secures ladders at the top before climbing up. With its high reach and versatility the Extra is particularly suitable for the painting and fitting trades.

45034

D Wheel

The D Wheel is a purpose built ladder wheel that uniquely grips in all directions providing an increased level of safety.

45035

Lighting Collar

The Lighting Collar secures the top of the ladder to lighting columns, street furniture columns, traffic light columns and telegraph poles.

45030

Yellow Book

The Yellow Book provides easy to follow, step by step guidance on legal requirements and all the necessary documents to set up your own ladder inspection management system.

45028

Ladder Tag

The original, industry leading ladder tagging solution to help eliminate accidents and improve inspection management processes.

45029

Tower Tag

The safety system to assist with the control of tower scaffolds from first build to dismantle.

45026

Box Section Ladder Feet

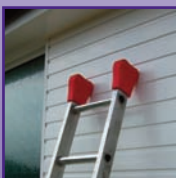

Replacement ladder feet made from solid rubber and pre-marked with cutting guides for fitting to majority of box section ladders.

45027

I Beam Ladder Feet

Replacement ladder feet made from solid rubber and pre-marked with cutting guides for fitting to majority of i-beam section ladders.

45025

Ladder Pads

The essential work surface protection accessory for decorators, shop fitters, window installers, window cleaners and DIY users.

Ladder mat

Ladder levelling anti-slip mat that can be adjusted for use on uneven ground, slopes, smooth surfaces and soft ground.
